InterBusiness Corporation focuses on providing board-level management consulting for international businesses. It advises clients on how to maximize shareholder value by incorporating innovative business models and leading-edge technologies into their core business strategies. Mr. Noguchi, as President and CEO, brings 35 years of experience to InterBusiness Corporation, including technology expertise, international business experience and management consulting insight.

Prior to InterBusiness, Mr. Noguchi was Chairman of the Board of epicRealm, Inc., an industry leader in dynamic content caching software and appliances that accelerate the performance of web servers, application servers, and database servers. epicRealm was formerly known as InfoSpinner, a pioneer in application server technology. He served as InfoSpinner's President and CEO.

Prior to InfoSpinner, Mr. Noguchi was Managing Partner of the Technology Practice at Ray & Berndtson (R&B), one of the leading retained executive search firms with 42 offices worldwide. He also served as Managing Director of the Asia/Pacific Practice and was a member of R&B's International Board. Earlier he was co-founder, President and CEO of California Peripherals Corporation ("CaliPer"). Before CaliPer, he was President of Storage Technology Corporation's Japanese subsidiary. Earlier in his career, he held sales positions at IBM U.S.A. and IBM Japan.

Mr. Noguchi authored a book in Japanese on successful Internet business models, published by NikkeiBP. He has also published articles in major publications in Europe and the US, including the Wall Street Journal, the New York Times, the Los Angeles Times, and Der Spiegel, and has appeared on ABC's 20/20, CNN, and BBC. He is a frequent keynote speaker at IT conferences on such topics as Internet of Things (IOT), Big Data and Analytics, The Lean Startup, Cloud Computing, Web 3.0/Semantic Web, Software as a Service (SaaS), and Open Source. He has also given speeches on international business issues throughout major cities in Europe, Asia/Pacific, and the United States.

He currently serves as a board member/advisory board member/executive advisor of several corporations, including AuriQ Systems, Fast Forward Events, OrderCup, Cornerstone OnDemand, and Wrethink in the U.S.; Sumitomo Corporation, Soliton Systems, Unirita, co-meeting, Sonix, and Daikokuya in Japan. He provides board-level advice on the creation of a business plan, the formulation of a growth scenario, repositioning of the company, business model scalability, strategic partnering, management staffing, board re-composition, funding, and IPO strategies to help these companies maximize their shareholder value.

Mr. Noguchi earned his Bachelor's degree from Hokkaido University in Sapporo, Japan, and his Master's degree from the American Graduate School of International Management (Thunderbird) in Arizona. He currently resides in Irvine, Orange County, CA.
